Subject: Grants for Families Struggling with Child Health-Related Expenses

FYI - while the family must have a health plan this can help some families.

Deadline: Open

The UnitedHealthcare Children's Foundation (<http://uhccf.org/> <<http://uhccf.org/>> ) has announced that new grants are available to help children who need critical health care treatment, services, or equipment not covered or not fully covered by their parents' health benefit plans.

UHCCF provides grants to families to help pay for child health care services such as speech therapy, physical therapy, occupational therapy sessions, prescriptions, and medical equipment such as wheelchairs, orthotics, and eyeglasses.

Parents and legal guardians may apply for grants of up to \$5,000 each for child medical services and equipment by completing an online application at the UHCCF Web site.

To be eligible for a grant, children must be 16 years of age or younger. Families must meet economic guidelines, reside in the United States , and be covered by a commercial health benefit plan.
