All camps are on a first come, first serve basis. Deposits, unless other arrangements have been made with MPH, and a Registration Form must be returned to our office to secure a spot in 2010 MPH events. Campers may only register for one spring, one summer and one fall event each year. Other events are available to any camper who qualifies; attendance does not impact eligibility in the spring, summer and fall events. All dates are subject to change.

Northwoods Village is the "modern" side of our campground. This is the area MPH has used in the past. Camp Tanglewood is the "rustic" side of our campground. This area provides campers with smaller cabin groups and the chance to be in a more natural setting. Cabins are heat and air controlled and wheelchair accessible. They are spread down a six foot wide asphalt trail that weaves through the trees on the back side of our camp. Camp Tanglewood utilizes bathhouses that are located near the cabins. All Camp Tanglewood non-summer events are on an as-needed basis. If both camps do not fill up, all campers will go to the Northwoods village camping area.

This year's camp directors will include Lonetta Sprague, Emily Boyett, Megan Johnson, Robert Franklin, James Wheeler, Ryan McMillan and Dan Nelson. Specific directors of each event will be listed on confirmation letters.
