

# Reducing the Risk of SIDS IN CHILD CARE

The American Academy of Pediatrics (AAP) Healthy Child Care America is pleased to announce the release of a new online module on *Reducing the Risk of Sudden Infant Death Syndrome (SIDS) in Child Care!* Based off of the AAP Reducing the Risk of SIDS in Child Care Speakers Kit, this **FREE** course is designed to educate everyone who cares for babies, including child care providers, health care professionals, parents, grandparents, and relatives.

In 1 hour, participants will learn how to create a safe sleep environment to reduce the risk of SIDS and other sleep related deaths. With an easy to use format, this course is available 24/7 from your home or office computer. Child care providers will receive a certificate of completion for 1.0 contact hour. Health care professionals can also receive credit (see flyer for details).

For instructions on how to access this **FREE** course, visit [www.healthychildcare.org/pdf/SIDSmoduleflyer.pdf](http://www.healthychildcare.org/pdf/SIDSmoduleflyer.pdf). Feel free to disseminate this flyer to anyone who cares for infants!

For more information and materials on how to reduce the risk of SIDS, visit [www.healthychildcare.org/sids.html](http://www.healthychildcare.org/sids.html).

*The Reducing the Risk of SIDS in Child Care online module is supported by Grant No. U46MC04436 from the US Department of Health and Human Services, Child Care Bureau and the Health Resources and Services Administration, Maternal and Child Health Bureau, to the AAP.*
