Summer Manufacturing Academy:

OSU Institute of Technology has partnered with the Northeast Workforce In Action over the past three summers in a program designed to expose students to technical education and career opportunities as well as essential life skills.

Thunderbird Youth Academy 918.824.4850

www.ngycp.org 417 S. Elliott, Pryor

TYA targets 16-19 year old (male or female) high school dropouts giving them the opportunity to gain control over their lives by increasing academic performance; improving self esteem; and teaching essential life skills enabling them to compete in the work place and manage a healthy family environment. The program utilizes a “quasi-military” approach capitalizing on military assets doctrine and principles to teach self-discipline, improve self-esteem and physical fitness thereby addressing the needs of the “whole person”.
